

Pipeline Analysis & Management

+ Why is this important?

Getting continuations, but not advances

It's hard to know what's
real.

+ The **hardest** work is
done

+ Sitting on mountains of
Leads

FEAR: Every
opportunity goes dark

Identify gaps & risks.

Find trouble spots.

Know where you stand

Crack the selling code

+

... so that you can
build your sales
machine.

+ Ready... Set... Go...

**I LOVE
MARKETING**

I'M DEAN JACKSON

I fell in love with Marketing as a young boy when I first realized that selling stuff on commission was way easier than renting myself out by the hour for a regular job... and I've never looked back. I've carried that distaste for real work into my adult life and have focused on a lifestyle centered approach to business using marketing as the ultimate lever to a life of freedom and fun.
